Our 1st step for accessing homeless, 1st month's rent, utilities and back rent help; is to call the B.C. Housing Hub at 609-265-5185. The Hub is the single point of entry for the county. This system allows the client to have 1 initial experience & the Hub will send the request out to nonprofits who have appropriate funding & then the nonprofit will contact the client. Please be patient as we are having unprecedented numbers of requests & we are still building back our volunteer base, especially on the hot line so email is the best way to contact us.

Our drive through food pantry is open Mon-Fri 10am-3pm. Shoprite vegetables and fruits are available around 10:30 am on

Monday, Tuesday, Wednesday & Saturday, while supplies last & please bring your own bag.

Code blue shelter us open at 5pm-9am when weather is 32 degrees or colder. It is located at Tabernacle of Praise Church, 271 Ridge Rd., Browns Mills-around back. You can always check if it is a declared Code blue night by calling 211.
