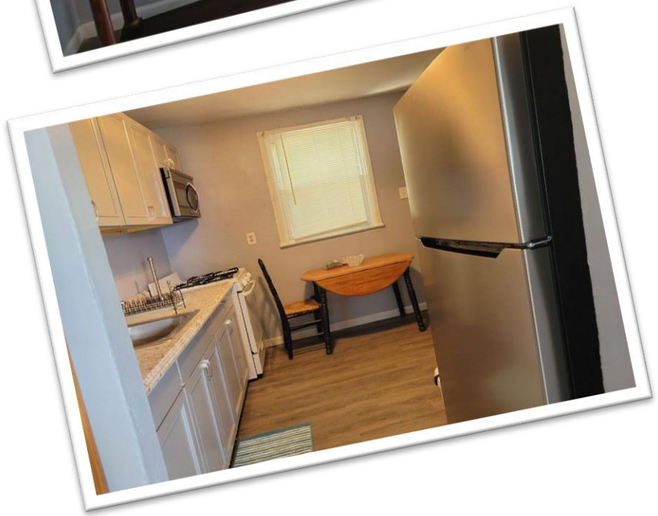
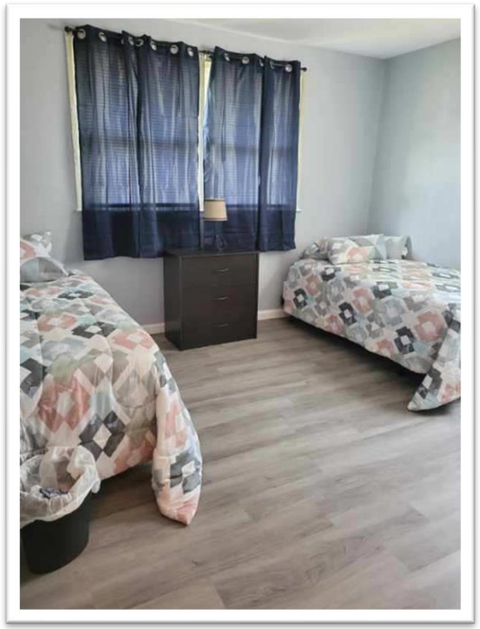
MARION'S HOUSE… A 3 BEDROOM FAMILY SHELTER



2021-Our first family in our 3-bedroom family shelter has graduated into permanent housing-PTL!



OUR TWO MEN'S SHELTERS- JACK STELLE'S EMERGENCY MEN'S SHELTER AND THE HOLMAN HOUSE

We opened the Jack Stelle Men's Emergency Shelter in 1998 to house 4 homeless men at 84 Delap Court. This shelter saw miracle after miracle of men's lives being transformed by a merciful God! In 2016 we were awarded a grant for Rapid Rehousing. In 2017 we were able to purchase a duplex along with Won by One Community Partnership, Inc. One side as The Holman House-another men's emergency shelter to house 5 homeless men and the other side a 3-bedroom homeless family shelter! (Marion's House)

REACHING THOUSANDS IN BURLINGTON COUNTY…

- We also go out to the streets and woods every Wednesday and Friday to deliver 50 lunches and outreach to the homeless, alcoholic, addicted men, women and sometimes teens as well as two area motels.

THE VILLAGE THRIFT SHOP

- In 2008 we opened our Village Thrift Shop with 2 attached apartments for us to rent to low-income residents.

PARTNERING…

- Now we are partnering with Virtua Grocery Store in Pemberton Township, Burlington County Human Services to bring the Virtua Mobile Grocery Store to Sunbury Village every Tuesday from 2 pm to 3:30 pm beginning June 1st! About half of the residents in Sunbury Village don't have transportation to even get to the only supermarket, ACME, which is 5 miles away. With the units being 2-3 bedrooms means families have an estimated total of 600 children living in Sunbury Village. This Virtua Mobile Grocery Store will be parked at our men's shelter in the middle of Sunbury Village. This means seniors, disabled and families will be able to access quality products like fresh fruits, vegetables, some household items like toilet paper, soap, etc., at 20% below the costs of your typical grocery stores. What a blessing for this neighborhood!!

- “What a Glorious Day!!!
  This is one of our clients at the Christian Caring Center. She WAS homeless and we have been helping her for over a month with a motel room. During that time, while providing Case Management to her she was able to find her very own apartment!!!
  Our caseworker Heather was honored to be there today with her as she signed her lease and help provide her with her security and first months rent through our agency 💕
  She was overjoyed and stated to me that she never knew people cared enough to help out as much as The Christian Caring Center did for her!!!
  This is why we go to work for everyday!!
  To see the success stories warms my heart 🤍
  Congratulations to her on the next GREAT chapter of her life!!”

2021- PTL! Tony C. moved into his NEW Apartment!
